EDUCATION

Bachelor of Science in Software Engineering
Makerere University
2021 – present | Kampala, Uganda

SKILLS

Languages
- Java, Python, JavaScript, Dart, PHP, SQL

Mobile Development:
- Flutter (Android/iOS), Firebase, Sqflite

Web Development:
- HTML5, CSS3, Vue.js, Laravel, Node.js, REST APIs

Frameworks:
- Flutter, Vue.js, Laravel, Express.js

Databases:
- MySQL, Firebase, MongoDB, SQLite

Tools and Version Control:
- Git, GitHub, Postman, VS Code
- Git (GitHub, GitLab)

ORGANIZATIONS

Powellpay Ltd., Kampala, Uganda
Intern
06/2024 – 08/2024 | Kampala, Uganda

- **Developed Cross-Platform Mobile Applications**: Collaborated with a dynamic team to design, develop, and optimize mobile applications using **Flutter**, ensuring seamless performance across both **Android** and **iOS** platforms. Focused on enhancing user experience and app functionality, resulting in improved user retention.
- **API Integration and Optimization**: Assisted in integrating and optimizing **RESTful APIs** to streamline data flow between the mobile app and backend services, improving app performance and reducing data load times by 15%.
- **Web Development with Vue.js and Laravel**: Contributed to the development of interactive, user-friendly dashboards and data visualization tools using **Vue.js** and **Laravel**, helping to provide insightful financial analytics for stakeholders.
- **Version Control and Collaboration**: Actively collaborated with team members using **Git** and **GitHub**, ensuring smooth version control and contributing to project repositories. Authored and updated comprehensive documentation to support the development lifecycle and team onboarding.

CERTIFICATES

Mobile and Web Development Certification
Awarded by Powellpay Limited for successfully completing an internship focused on mobile and web development. Demonstrated proficiency in building cross-platform applications using Flutter, integrating RESTful APIs, and contributing to web projects with Vue.js and Laravel.
